Welcome to Mobility Tool+

As of October 2019, organisations wishing to participate in Erasmus+ actions managed by National Agencies must have an Organisation ID. This replaces the Participant Identification Code (PIC). For organisations that have already participated in Erasmus+ and European Solidarity Corps actions managed by a National Agency, we have already assigned your organisation an Organisation ID. To find your Organisation ID or the Organisation ID of your partners in the Erasmus+ and European Solidarity Corps platform, or to register new organisations, please click here: <https://webgate.ec.europa.eu/erasmus-ec/organisation-registration>

For a detailed documentation of the adaptations done in Mobility Tool, please click here: <https://webgate.ec.europa.eu/erasmus-ec/organisation-registration>

About the tool

Mobility Tool+ is the system for the management of Mobility and/or Partnerships projects that received an EU grant under the Erasmus+ Programme.

If you belong to a Beneficiary Organisation or to a Partner Organisation in a Strategic Partnership for schools only, you will be able to provide all the information on your projects, identify participants, complete and update budget information, generate and follow-up participant reports and generate and submit your reports to your National Agency. You will also be allowed to grant permissions to change or view the project's content to your Partner Organisations.

If you belong to a Partner Organisation in a KA1/KA3 mobility project or in a KA2 Strategic Partnership (other than schools-only), you may be granted permissions to change or view the project's content by the project's Beneficiary Organisation. Please contact your Beneficiary Organisation accordingly.
