We had our first senior alumni interview yesterday at Gyula with Dr. Abdulrahman Abdulrab Mohamed. We met an extremely motivated and warm-hearted man, who is not just a great doctor, but a real community person and plays an important role in the life of Gyula and the region. Of course we made not just photos...the interview and the video message is coming next week, so stay tuned! #senioralumni #alumnimember #Gyula #medicine

Alumni interview:

Tim Baas is a member of the International Alumni Network. He studied in Hungary with the Erasmus+ Programme, but his relationship with Hungary goes far beyond the Erasmus experience. We asked him about this special relationship with our country.
